Policy for Policy Management

Policy Lead: Executive Management Team
Issue Date: April 2026

Policy Statement

It is the Organization's priority to enact an orderly system for the identification, drafting, dissemination and review of organizational policies and related documents, which will encourage stability and continuity in the Library's operations while reducing ambiguity and confusion about ongoing practice and procedure, inform both staff and patrons about organization's intentions and help protect the Organization against legal claims.

Official policies and their associated pro cedures (if applicable) together constitute the Policy Manual. The Policy Manual will be available via the intranet.

All policies must follow the current pro cess for approval.

All staff, volunteers, contractors, and me mbers of the public engaged in business w ith the organization are expected to be fam iliar with and adhere to associated Library policies.

All policies should be reviewed in com pliance with New York State laws and regulations.
