Policy and Procedure

Policy #: I. Organization 6
Date Issued: December 2001
Effective Date: December 2001

Subject: FUNDRAISING POLICY

Application: All Staff

Policy statement: Under the auspices of the Organization Board, Foundation raises public and private funds to strengthen company services and programs, improve facilities and endow the library's future. They raises funds to supplement City and State funding and does not replace it.

The Executive Director, Foundation President and the Board of are responsible for determining fundraising initiatives in accordance with the Library's Mission and Strategic Plan and to meet institutional needs. The Development Office ("Development") is responsible for managing all fundraising initiatives of the company. The role of Board does not limit the Board's ability to make unilateral decisions about fundraising matters.

Procedures or Guidelines:

A. PRIVATE FUNDRAISING:

With the exception of recognized Friends Groups ("Friends") fundraising projects, Development manages solicitations and relationships with corporations, foundations and individuals. The solicitation of grants and gifts of $500,000 or more that obligate the company to provide matching support in subsequent years is subject to approval by the Board.

B. GOVERNMENT GRANTS:

Development manages proposals for competitive government grants and allocations by legislators (once provided). The solicitation of government grants of $500,000 or more that obligate the company to provide matching support in subsequent years is subject to approval by the Board.

C. NEW INITIATIVES:

Development works with staff to come up with appropriate strategies to raise funds for new programs and other initiatives not supported by public appropriations or the Library's corporate budget. Such strategies are pursued in consultation with the Board and are subject to approval by the Board.

D. PROCESSING / ACKNOWLEDGEMENT:

Private donations and government grant award letters should be sent to Development for processing and acknowledgement. (This includes notification of pro bono or in-kind gifts including printing, celebrity appearances, book donations, etc.) Development is responsible for informing the agency/department of any funds received for the agency/department and facilitating acknowledgement from the agency/ department if appropriate.

E. ADMINISTRATIVE FEES / INDIRECT COST RATE:

For all restricted private grants and gifts of $1,000 or more, Finance will deduct a 15% Administrative Fee to cover fundraising and related administrative costs, unless explicitly disallowed by the funder. For Federal grants, where appropriate, the company will request an indirect cost reimbursement using a Federally negotiated rate that is applied for annually by the Finance Department. Note that the Administrative Fee and the indirect cost rate do not apply to endowment gifts.

F. EXPENDING FUNDS:

Development is responsible for communicating requirements with regard to the expenditure of competitive government grants and private funds. In notifying the appropriate agency/department when money is received, Development will provide staff with the proper spending code designated by Finance. Finance will provide grant/project managers with a monthly report to monitor spending. Program staff are responsible for seeing that the funds are spent in a timely manner and according to the approved budget and that grant requirements are met. Program staff should notify Finance and Human Resources (with a copy to Development and Payroll) of the names of staff members that are to be paid from grant monies and their terms of employment. Program staff will be responsible for signing off on all invoices related to their program and coding them to the assigned budget.

G. REPORTING:

With assistance from program and Finance staff, Development is responsible for narrative and financial reports to all private funders, and to government agencies for competitive grants and legislative allocations.

H. CORPORATE SPONSORSHIPS:

Development negotiates corporate sponsorships to underwrite special events, programs and exhibitions, and works with Willendorf, M&C and other relevant program staff to ensure fulfillment of the sponsorship contract.

I. RECOGNITION:

i. the company takes every opportunity to credit funding sources for programs, events, exhibitions and projects produced and presented by the company on all relevant printed and electronic materials, press releases and signage, as well as in speeches. Development is responsible for ensuring that all requirements with regard to recognition and visibility are followed and that grantmaker/donor wishes are met. Program staff are responsible for acknowledging funders at public programs. M&C is responsible for getting clearance from Development on all related print materials, to ensure proper funding recognition.

ii. When presenting programs, events, exhibitions or projects produced by other organizations or institutions and made available to the company for free or at reduced cost, the company may negotiate an agreement to recognize the funders who made the presentation possible.

J. PLANNED GIVING:
